

## THE MEMBERS' MEETING 21 JUNE IS CANCELLED

### Members' meeting

Some time back we asked you to sign up for the members' meeting on June 21th. Only a handful of people responded. Unfortunately, this is not enough to have an effective members' meeting. Therefore, the members' meeting on June 21th is cancelled.

### New attempt after the summer break

After the summer break we will ask you to sign up for the members' meeting again. You will receive a newsletter with the invitation to sign up for the new members' meeting. Speak to your colleagues and sign up.

For now, we wish you a happy summer break.

See you soon.

With kind regards,
