

# EEN GOED PENSIOEN IS EEN KWESTIE VAN FATSOEN!

## STAKINGSOPROEP MAANDAG 18 MAART 2019

There is still no movement to be found in the Dutch government to achieve a good pension system! Employees have a direct interest in concluding a pension agreement. As a result of the failure to reach a pension agreement, the collective interests of the employees are directly affected.

**Stand up for your right as an employee! Only by standing shoulder to shoulder, there will be a good pension. Ask each colleague to join this "24-hour strike"**

We call on workers to strike on Monday, March 18th 2019 for a good future proof pension system in the Netherlands.

<b>What:</b>	<b>24 hours strike</b>
<b>When:</b>	<b>Monday March 18th 2019</b>
<b>Where to register:</b>	<b>Stadswandelpark Eindhoven (Alberdink Thijmlaan)</b>
<b>Registration strikers:</b>	<b>from 10.30 a.m. until 13:30 a.m.</b>

### **Right to strike**

In the Netherlands, employees have the right to strike. This is not without reason! We have already informed all employers that we call on their employees to strike. It is not necessary for you to report to your supervisor that you are going on a strike but if you want to it is allowed of course.

Please keep following the CNV news.

### **With militant regards,**

The Trade Union Officials for CNV Vakmensen

### **Please note!**

**In order to qualify for a strike allowance, you need to hand in the registration form in person. Do not forget to bring your CNV Vakmensen card AND your bank card! This is to ensure that the registration and payment of the strike payment goes well and quickly!!!**
